

## Writing Activity: Integrate Information in Multimedia Presentation

Cluster 3 page 110

**Directions:** Create a multimedia presentation that alerts people to the helpful or harmful ways that technology has influenced the pursuit of justice. Use information from Cluster 3 as well as your own research. Include images, words, and/or music. Consider publishing your presentation on YouTube or other appropriate sites. The organizers that follow will help you collect your ideas.

### A Strong Presentation

- communicates a main idea
- develops the main idea using examples and evidence
- uses visual and sound elements to reinforce the main idea and evoke a strong response in the audience
